

HAMILTON
VETERANS

OF

WORLD WAR II

1941 - 1945

AUGUSTUS PEABODY GARDNER POST, NO. 194

THE AMERICAN LEGION
P. O. BOX 194
HAMILTON, MA 01936

July 4, 2005

TO: Commander Scott Sheppard, Post 194
FROM: The World War II Honor Roll Committee
SUBJ: Progress Report

The committee has completed its research into the names of Hamilton veterans who served in World War II, and we have attached a copy. We also attach a picture of the proposed honor roll. We are now engaged in the funding phase of our duties, and we are hopeful that we can let out the contract in time to dedicate the Honor Roll on Veterans Day in November during the 60th anniversary of the end of World War II.

This committee was appointed by the then Commander John E. Haraden in late 2003 as a result of an offer for funding made by the Hamilton-Wenham Rotary Club. Since that time we have received equal funding from the Hamilton Board of Selectmen and from our own American Legion Post #194. If we come up a little short we are confident that the citizens of Hamilton will donate additional funds. We are most grateful for this generous assistance.

Please keep in mind that we compiled this list 60 years after the end of WWII. We spent many many hours researching the names and checking on the correct spelling etc. The list is as accurate as we can possibly make it, and we will leave some space on the Honor Roll just in case we missed someone.

We have many people to thank for their assistance. Our Veterans Agent and Comrade, Terry Hart. Bill Woolley for printing our preliminary list of names in the Hamilton-Wenham Chronicle. Town Clerk, Jane Wetson and Marissa Frerk for posting the same list on the Town of Hamilton web site, and last but not least we thank those who displayed our list in their work place. We also thank our deceased Comrade Gardiner Morgan who originally served on our committee.

We now recommend that you appoint a committee to research names for the Korean War and soon thereafter Viet Nam,

Panama/Grenada, The Gulf War and Iraq. There will be ample room for these names on the obverse side of the Honor Roll.

Lastly we highly recommend that a future committee plan a brick walkway around the Honor Roll containing the already prepared list of names of residents who served in King Philips War, the French & Indian War, Revolutionary War, War of 1812, the Civil War and the Spanish American War. The names of residents who served during WWI are already displayed in the Memorial Room in the Town Hall. We also recommend that space be reserved in the walkway for the names long time residents who moved to Hamilton after they served. They or their families could purchase a brick containing their names and the war in which they served. ie John J. Jones, Viet Nam or WWII etc. There has been much interest from those veterans who want to be included in this memorial project. We think that upon final completion, the Town of Hamilton will have one of the finest Veterans Memorials in the state.

Respectfully submitted,

**Robert McRae
Edward Haraden
Henry Stelline
Alvin Whipple**
